Office Memorandum

Subject: Clarification on Post-Adoption Follow-Up reports in cases of In-Country Relative Adoption and Inter-Country Relative Adoption.

Adoption regulations do not stipulate post-adoption follow-up reports for in-country or inter-country relative adoptions.

2. Given the foregoing, the AFAAs, CAs, and IDMs dealing with inter-country relative adoption cases and the DCPUs dealing with in-country relative adoption cases may not require conducting post-adoption follow-up visits (unless necessary) and may refrain from charging any fees in this regard.
