Office Memorandum

Subject: Clarification on Adoption Fees as per the Adoption Regulations, 2022.

1. Attention is drawn to the adoption fees as provided in Schedule XV of the Adoption Regulations, 2022. In part 2 of the said schedule it has been mentioned that in case of Inter Country adoption of child with normal health conditions, the adoption fees will be as that of In-Country Adoption i.e. INR 50,000.
2. Thus prospective adoptive parents (NRI/ OCI/ Foreign) are required to pay INR 50,000 to their respective AFAAs/CA/ IDMs when they are adopting a child having normal health conditions. In case of children having special needs conditions, the NRI/ OCI/ Foreign PAPs have to pay 5,000 US \$ as provided in schedule XV of the Adoption Regulations, 2022.
3. Hence, it is imperative for all stakeholders to adhere to this directive, ensuring that the adoption fee for inter-country adoption of a **child with normal health conditions** is set at INR 50,000 only, and not 5,000 US \$.
